

Dr. Ly Mar

Dr. Mar graduated with a degree in general dentistry from the Faculté de Médecine Dentaire at the University of Montréal in 1999. He pursued a post-graduate residency in hospital dentistry at the University of California San Francisco and Harvard. Dr. Mar obtained a Master's degree in dental sciences and a postgraduate Certificate in Orthodontics at the University of Montréal in 2004. Immediately following his convocation, Dr. Mar was awarded a fellowship from the College of Dentists of Canada in the specialty of orthodontics and dentofacial orthopedics (FRCDC).

Dr. Mar has been a part-time clinical professor in orthodontics at the Faculty of Medicine and Dentistry at the University of Alberta since 2005. He is a co-President of the Edmonton Orthodontic Study Club (since 2010) where he teaches, mentors and supports dentists to empower their orthodontic skills using clear aligner therapy within their general family practice. Dr. Mar moved to Edmonton in 2004 to take over his newly acquired orthodontic practice in St. Albert, Alberta. He is celebrating the 17th anniversary of Mar Orthodontics this year.

Dr. Mar is the founder of The Aligner Coach, The Clear Aligner Society and The Clear Aligner Paradigm. He is the KOL and lecturer for Clear Correct and Propel Orthodontics and the Clinical Advisor for ClearCorrect/Straumann North America.
